Exhibitors will at all times give the necessary personal attention to whatever they may have on exhibition, and at the close take entire charge of same.

Articles placed on exhibition must not be removed until the close. Every facility will be afforded for the transaction of business by taking orders, but no delivery of articles sold can be made on the premises during the exhibition, if the same involves the admission of teams for the purpose of delivery.

Though the Association will take reasonable precaution to ensure the safety of articles sent to the exhibition, yet they wish it to be distinctly understood that the owners themselves must take the risk of exhibiting them; and that should any articles be accidentally injured, lost or stolen, the Association will give all the assistance in its power towards the recovery of the same, but will not make any payment for the value thereof.

The Association shall not be in any way responsible for any teams, automobiles and vehicles and their contents, or for loss or damage caused thereto or thereby, while within its grounds.

At the close of the exhibition, exhibitors must take charge of their exhibits and remove the same as early as possible. Any article or stand left in the buildings after this time will be at the risk of the owner.

LIVE STOCK.

Good buildings are provided on the grounds for all live stock. Straw and water will be furnished for horses, cattle, sheep and pigs, and food for poultry, without charge, from Saturday, Aug. 25th to the close of the exhibition, so that stock may be taken immediately to the grounds on their arrival. Grain and hay for horses, cattle, sheep and pigs will be for sale on the grounds at lowest market prices.

The production of any animal may be ordered by the Superintendent or Directors, for review or other purposes, at any time during the exhibition; any exhibitor or attendant refusing to bring such animal into the ring, when so required shall forfeit his entry fee and such premiums as may have been awarded him.

MEDALS.

Medals will be awarded in lieu of money prizes when decided by exhibitors, subject to approval by the Board of Directors, on the following basis of valuation:—Gold Medal, \$50; Silver Medal, \$20; Bronze Medal, \$10.

SPECIAL EXCURSION FARES.

Special excursion fares to Sherbrooke and return will be in force on all railways, particulars of which may be secured on application to any railway agent or the Secretary of the Exhibition.

RAILWAYS.

The railways over which shipments of live stock for exhibition purposes have been moved to the exhibition, will return same without charge to shipping point provided they are offered for shipment within ten days after close of the exhibition, and accompanied by a certificate in duplicate from the Secretary of the Exhibition to the effect that the property has not changed ownership, also freight receipts showing that same was originally moved over the railway to which tendered from shipping point to Sherbrooke. This arrangement does not apply to race horses.

25 cents—GENERAL ADMISSION—25 cents

All articles sent by express will be delivered on the grounds without any extra charge by the express companies.

PAYMENT OF PRIZES.

The Secretary-Treasurer will be prepared to pay 50% of the premiums won by any exhibitor on Saturday morning, Sept. 1st, at 9 a.m., if so requested, and checks for the balance will be mailed within 30 days of the close of the Exhibition.

All persons to whom prizes are awarded and who have not received the same, must apply to the Secretary of the Association for payment thereof, on or before the 1st day of December of the year in which the prize is awarded, or the same will be forfeited.

JUDGES AND JUDGING.

The Judges will be appointed by the Board of Directors previous to the exhibition, and will receive a circular informing them of the fact and inviting them to act.

No person will be allowed to act as Judge who is in any way interested in the articles to be examined.

Judges are requested to meet at the Secretary's office before commencing their work, presenting their circulars of appointment, when they will be furnished with their badges and books.

It is particularly requested that Judges will not enter into arguments with exhibitors as to the merits of their exhibits. They are also particularly requested not to inform exhibitors as to the result of their judgment on articles for which prizes are not offered in the regular list, until their recommendations have been approved by the Board.

Judges will please sign and hand in their awards to the Secretary or assistant as soon as possible, and make their more extended reports afterwards, making recommendations as circumstances or experience may suggest. No award of a prize not offered in the list will be paid until sanctioned by the Board of Directors.

It is desired that all judges of each class sign their book and go together to hand in their report, instead of sending it by one of their number, and to remain together until their book has been examined by the Secretary or his assistant, in order that cases of error or doubt may be more promptly and easily made right.

The Judges are particularly requested not to leave the grounds until they have ascertained from the Secretary that there are no protests against the award in the classes they have judged.

The attention of Judges and Exhibitors is particularly called to the two following paragraphs:—

It does not follow because a prize is offered for an animal or article that it must be awarded unless there is proper competition or unless the exhibit is of sufficient merit to warrant the award being made.

25 cents—GENERAL ADMISSION—25 cents

In the absence of competition in any section, or if the stock or article exhibited be of inferior quality, the judges will award only such premiums as they think the articles deserve. They will exercise their discretion as to whether they will award the first, second or any premium.

Not more than one prize will be awarded in any one section to any one exhibitor, unless there be bona fide competition, that is to say there be two or more exhibitors.

Judges will be furnished with "Very Highly Commended," "Highly Commended," and "Commended" cards which they are requested to use at their discretion, in addition to the awards provided by the prize list.

Any exhibitor lodging a protest, must make it in writing and it must be delivered to the Secretary or his assistant within three hours of the cause of protest, it must state plainly the cause of complaint or appeal, and must be accompanied by a deposit of \$5.00 which sum shall be forfeited to the Association if the said protest is not sustained. The Board of Directors, however, earnestly hope that exhibitors will not enter protest without the strongest grounds for so doing, as much annoyance and unpleasantness is often caused by protests of frivolous nature.

The Judges are expected in the execution of their duties, to be careful to act with the most rigid impartiality, and make their entries in a clear and conspicuous manner, in all cases of doubt or difficulty referring freely to the Secretary or to the Directors in charge of Departments.

No persons shall be permitted in the horse or cattle rings during the time of judging, except the Judges and the grooms or persons in charge of the animals.

All prize cards or ribbons which have been affixed by the Judges must be displayed during the exhibition. Any infraction of this rule will incur the forfeiture of any premium awarded.

Any person who shall attempt to interfere with the judges while in the discharge of their duties, or shall afterwards on the premises of the Association use any contemptuous or abusive language to any Judge in consequence of any award made by him, shall forfeit his right to any premium to which he might otherwise be entitled, and shall be excluded from exhibiting for one year thereafter. Judges are particularly requested to report any breach of this rule.

Upon the discovery of any fraud, deception, or dishonest practice, either in the preparation or ownership, or of any misrepresentation concerning any article exhibited, which may have affected, or have been intended to affect the decision of the Judges, the Board of Directors have the power to withhold the payment of any prize awarded, and may prohibit any such party or parties from exhibiting in any class for one or more years, and may also publish the names of such persons or not, as may be deemed expedient.

MISCELLANEOUS.

The Board of Directors reserve the right to prescribe the dimensions and regulate the position of all signs, and generally to direct the arrangement of the articles on exhibition, so far as the same may be necessary to secure harmony and an attractive appearance.

The contractors for the supply of refreshments at the restaurants and all persons keeping refreshment stands, must lay in their stock before 8 a.m., unless under special unavoidable circumstances, when permission must be obtained from the Secretary.

The sale of alcoholic liquors, exhibitions or shows of an immoral nature and gambling of all kinds are absolutely prohibited.

The officers of the Association have the power, by their Act of Incorporation, to enforce these rules and to regulate or prevent the huckstering or trafficking in fruits, goods or merchandise on the Exhibition Grounds; and any person who, after due notice of such rules, violates the same, shall be liable to be removed by the officers, policemen or constables of said Association and be subject to prosecution.

FIRE AND POLICE PROTECTION.

The most careful and thorough arrangements possible have been made to guard against fire. At the fire station, on the grounds, a detachment of the city fire brigade will be present day and night; the grounds are connected with all the fire stations by telephone, and with precautions taken, it is believed that the danger of such an occurrence is very remote; but exhibitors desiring insurance must give the matter their personal attention.

An ample police force, detailed for that purpose by the city, will be on duty day and night during the continuance of the exhibition. A full corps of watchmen will also be present at all times; but exhibitors are expected to exercise constant supervision over their articles on exhibition, as the Association will not be responsible for loss or damage by theft, fire or otherwise. Small and valuable articles should be exhibited in show cases, which may be securely locked when desirable.

ENQUIRIES.

Enquiries as to the exhibition and its arrangements before the opening should be addressed to the Secretary at Sherbrooke. During the exhibition, enquiries may be made at the Association offices, on the grounds, and all officers of the Association will, when applied to, be glad to furnish the information sought, or refer the question to the proper officials.

A bureau of information and accommodation has also been established near the Union Station, where all information as to incoming and outgoing trains, Hotel and Boarding-House accommodation, Cab Rates, etc., will be furnished and where all complaints may be lodged regarding overcharges on the part of Hotels, Cabmen, etc.

Members of the press are cordially invited to the exhibition. Ample accommodation will be provided for them, and all necessary information will be promptly furnished.

25 cents—GENERAL ADMISSION—25 cents

The Great North Western and Canadian Pacific Telegraph Companies; Bell Telephone; The Canadian, American, Dominion and City Express Companies have offices on the grounds and mails are received and despatched daily.

The grounds are situated in East Sherbrooke and may be reached by the Street Railway from all parts of the town and Lennoxville.

Visitors may be assured of finding on the grounds everything necessary to the convenience of young and old during the entire day. Ample restaurant and lunch rooms, managed by experienced caterers, and under the supervision of the Board of Directors as to price and quality of food, will serve meals and refreshments during hours of exhibition at reasonable rates. A wash room, ladies' dressing room, baggage rooms for the deposit of satchels, cloaks, etc., and in charge of responsible parties, are conveniently located for the accommodation of the visitors.

NOTE.

This Association will not hold itself responsible for any printer's or other palpable errors in this Prize List. Such errors shall be ruled by the context, should they occur.

HORSES.

Directors in Charge.—Dr. E. P. Ball, Dr. L. Forest, C. Cleveland, J. A. McClary, D. L. Herbert, H. B. Fletcher.

The age of horses will be calculated to 1st January, 1917 that is, an animal is considered for exhibition purposes as being one year old the first day of January after it was foaled, thus animals foaled any time in 1916 must be shown as one-year-old; those foaled in 1915 as two-year-olds, and those in 1914 as three-year-olds.

If required, exhibitors must make a statutory declaration that the animals are the ages stated by them.

Entrance in the Breeding Classes, \$1.00 per head. Entrance in the Harness, Hunter, Saddle and Cavalry Classes, \$2.00 per head. Entrance for Brood Mare and Foal, \$1.50. Foal of 1917 when exhibited apart from Dam, 50c.

In order to compete for "Specials," a BONA FIDE entry must first be made in the Class in which such Special is offered.

In making entries, the breed, breeder's name (if known) the owner's name and address in full, the name of the animal (if named), and the age should be given.

In all Thoroughbred Classes, full pedigree, properly certified must accompany the entry, or the number of registration in the Stud Book must be given on the entry form. No animal will be allowed to compete as pure bred, unless they possess regular stud pedigrees.

All animals competing in the Thoroughbred Classes must be registered in the name of the exhibitor in the Canadian National Records, Ottawa, and the name, number, and breeding must be given at the time of making entry.

Entries positively close on Monday, August 20th.

25 cents—GENERAL ADMISSION—25 cents

A Canadian-Bred Horse shall be understood to be a horse that is foaled in Canada.

No horse will be allowed premiums, unless sound, except in the case of stallions or brood mares injured by accident, which do not lessen their usefulness; the opinion of the Association's veterinary surgeon to be taken in all cases of suspected unsoundness.

Blank pedigree forms to be had free on application to the Secretary.

Horses must be shown uncovered when required, in the arena and in such a manner as the judges may require or allow, and if exhibitors refuse to submit to the proper requirements of the Judges or Directors, their animals will be ruled out.

All horses must be brought out for judging or parade purposes whenever required by the Judges or officials and must take part in the parades. Exhibitors, or their employees, not complying with this or any other rule, shall forfeit all prizes awarded them and the right to exhibit at future exhibitions of the Association.

The upper door of box stalls must be left open from 9 a.m. to 6 p.m., in order that the public may view the animals and all stalls must be cleaned out before 8 a.m., so that refuse can be cleaned away before the arrival of visitors. These rules will be enforced.

Exhibitors who may desire to take their horses home at night will be allowed to do so by depositing \$5 with the Secretary, which shall be forfeited if the animal is not brought back by 10 a.m., the following morning.

Exhibitors will not be allowed to use stalls for storing forage and the Directors shall at all times have the right of making use of stalls thus occupied.

Not more than one prize in any section will be given to one exhibitor, unless there is bona fide competition in such section, that is to say, unless there are two or more bona fide exhibitors.

In the absence of competition in any section, or if the exhibits be of inferior quality, the Judges will award only such premiums as they think advisable, and they may exercise their discretion as to whether they will award any premiums. Judges may also award "Very Highly Commended," "Highly Commended" and "Commended" cards at their discretion.

Judging will commence on Monday, August 27th, at 1 p.m. All driving and riding classes will be judged in front of Grand Stand at such hours as may be fixed.

Special care should be taken that the measurements of horses are correctly stated in the entry blank, and they are entered in the proper classes as to height; as in case of a wrong entry in any class, that animal will be disqualified from taking a prize in such class.

Horses shall be measured in the shoes in which they appear for Exhibition, and this measurement shall hold good in all competitions during the exhibition.

Entries positively close on Monday, August 20th.

25 cents—GENERAL ADMISSION—25 cents

Horses will be measured by the Association's veterinary surgeon from whose decision, upon the approval of judges, there shall be no appeal.

In Breeding Classes, no horse will be allowed to compete in more than one class, except when competing for progeny, in pairs, or special prizes. This restriction does not apply to Harness Classes.

All judging to be done by comparison.

All white birds to be judged first.

No one will be permitted to handle the birds on exhibition, except their owners.

No birds allowed in the building, except those entered for competition.

Exhibitors will send all stock addressed: Poultry Dept., Great Eastern Exhibition, Sherbrooke, Que., and have address of owner plainly printed on coops for return journey. Also name of express company by which they are to be returned.

The Secretary will send each exhibitor an entry check for each entry, giving name of specimen, and exhibitor's entry number. **These entry checks must be tacked on the outside of the shipping coops, and when more than one specimen is sent in a coop, each entry must be properly divided, and the proper entry check placed upon each section in the coop.** If from accident the Association entry checks do not arrive in time, send the exhibits without them, and the Secretary will make duplicates. Unhealthy specimens will not be exhibited, but will be returned to the owner at his expense.

All exhibits are at the entire risk of the owners.

Should illness or any circumstances occur to prevent any of the Judges from officiating, the Association reserves the right to appoint others in their stead, or additional ones if required, and to make any alterations **necessary** to the success of the show.

After an exhibitor has once made his entries no alteration can be made, but additional entries may be made up to the date fixed for closing the entries, on payment of regular entrance fees.

Fowls entered in regular classes will be allowed to compete in "Special" class without extra entrance fees.

Judges may at their discretion, award prize cards in addition to the money awards.

The Superintendent has full charge of the unpacking and cooping of all exhibits, also removing for return shipment.

Roots must be certified to be of field culture by the exhibitor, except potatoes, which are open to all.

Grain must be shown in clean bags, and vegetables in baskets or neat boxes.

The attention of exhibitors is called to the fact that premiums are more likely to be awarded by good judges for quality, rather than for size.

All exhibits should be in place by Saturday evening, Sept. 4th, at 6 o'clock, but arrangements can be made with the Superintendent for the delivery of special articles on Monday morning.

All specimens placed in competition for premiums must be bona fide grown by competitor or employer, and if proved not to be such, the competitor to be disqualified from receiving any premium whatever. All articles to be correctly named and properly labelled.

In arranging fruits on the tables, exhibitors will be required to place the varieties, at best as possible in separate groups. When a number of varieties is specified there must be neither more nor less.

By a variety is meant an established variety, known as such to pomologists. New varieties, with only local names, are classed as seedings.

Parties will not be allowed more than one prize in the same section, and no article which has already been awarded a prize will be entitled to another.

No individual, except the Judges and Superintendent and his assistants, shall be allowed to touch or handle any fruit or other article exhibited, and any exhibitor, proved guilty of having tampered with any article on exhibition, or section card, will be liable to be deprived of all premiums he may have been awarded, at the option of the Directors.

MADE IN CANADA

Ideal Green Feed Silos

The pioneer silo in Canada was the Ideal Green Feed and it is still recognized by the most eminent authorities and the most practical farmers as presenting the best silo value obtainable. The material used in its construction is specially selected and specially treated to ensure durability. The special machinery used in its manufacture ensures perfect fitting joints between the staves, and this careful construction also adds to its durability. The wooden staves and doors are especially good non-conductors of heat and cold, ensuring the maximum amount of the best grade of silage with the minimum amount of wastage.

Every Ideal Green Feed Silo is a landmark of progressiveness and thrift in as much as it will return its cost the first year, and every year thereafter. Our special silo catalog is a text book of useful silo information.
